Notice of Hearing on Proposed Administrative Regulations

A public hearing will be conducted at 9 a.m. Tuesday, June 22, in the SRS Staff Development Conference Room, 300 S.W. Oakley, Topeka, to consider the adoption of proposed changes in existing rules and regulations on a permanent basis. This 30-day notice of the public hearing shall constitute a public comment period for the purpose of receiving written public comments on the proposed regulations. All interested parties may submit written comments prior to the hearing to the Secretary of Health and Environment, Landon State Office Building, Room 901, 900 S.W. Jackson, Topeka 66612. All interested parties will be given a reasonable opportunity to present their views orally on the adoption of the proposed regulations during the hearing. In order to give all parties an opportunity to present

their views, it may be necessary to request each participant to limit any oral presentation to five minutes.

These regulations are scheduled to become effective August 16, 1993. A summary of the proposed regulations and their economic impact follows.

Article 1.—DISEASES

28-1-18. Notification of state department of health by laboratories of positive reaction to tests for certain diseases. This regulation is being amended to add two notifiable conditions: blood lead level greater than or equal to 10 micrograms per deciliter for persons less than 18 years of age and greater than or equal to 25 micrograms per deciliter for persons 18 years of age or older and CD4+ T-lymphocyte count of less than 200 per microliter or a CD4+ T-lymphocyte percent of total lymphocytes less than 14. Five diseases are being deleted from the list of notifiable diseases: diphtheria, haemophilus influenza type B invasive disease, meningococal meningitis, poliomyelitis and typhoid fever. Economic Impact: The additional cost of reporting

Economic Impact: The additional cost of reporting two new conditions is expected to be offset by the deletion of five diseases from the list of notifiable

diseases.

Article 17.—DIVISION OF VITAL STATISTICS

28-17-6. Fees for copies and searches. This regulation is being amended to increase the fee for certified copies of a death, marriage, divorce or stillbirth record to \$10 for the first copy and \$5 for each additional copy of the same record ordered at the same time. This fee is necessitated by the passage of HB 2008 during the 1993 Legislative Session which states that \$3 of each certified copy fee for the first copy of a death certificate and \$1 for each fee for each additional copy of the same death certificate requested at the same time shall be remitted to the state treasury and credited to the district coroners fund created by Section 17 of HB 2008.

The fee for certified copies of birth certificates was raised to \$10 and \$5 in 1992, therefore, KDHE is including marriages, divorces and stillbirths in the proposed fee increase to make all fees consistent.

Economic Impact: The increased fee will be paid by applicants needing a certified copies of a death, marriage or divorce record. The fee increase will generate approximately \$238,000, of which approximately \$223,000 would be transferred to the district coroners fund.

28-17-20. Corrections to certificates and records. The regulation is being amended to allow acceptance of a document created prior to the tenth birthday of the individual desiring a birth certificate amendment rather than the seventh birthday. This change will assure the individual access to census information which is frequently needed to substantiate an amendment. Economic Impact: None.

Article 23.—SANITATION; FOOD AND DRUG ESTABLISHMENTS

Article 36.—FOOD VENDING MACHINES AND FOOD VENDING MACHINE COMPANIES

28-23-82. Food supplies, food protection, food storage, and food preparation, and food display.

(continued)

28-36-21. Food care. The Kansas Department of Health and Environment has adopted food service establishment regulations based on recommendations of the United States Food and Drug Administration. As a result of information regarding foodborne illnesses caused by E. coli 0157:H7, the Food and Drug Administration recommended all states increase the required cooking temperature for ground beef to 155°F.

Amendments to K.A.R. 28-23-82 and K.A.R. 28-36-21 will increase the required cooking temperature of ground beef prepared in food service establishments in Kansas to 155°F.

Economic Impact: None

Request for Proposals

The Department of Social and Rehabilitation Services is soliciting grant proposals from public agencies or nonprofit organizations or a combination thereof that provide direct services to crime victims to improve their health or well-being. This federally funded program is a result of Congress' enactment of the Victims of Crime Act, which concluded that crime victims' needs could be adequately addressed only by the federal, state and local governments, along with the private sector, sharing the responsibility of providing assistance. Details of the request for proposals are available from Peggy Baker, SRS Youth and Adult Services, (913) 296-7465. Responses are due no later than 5 p.m. July 15.

Notice of Hearing Concerning Approval of Agreement Resolving Class Action

In the District Court of Shawnee County, Kansas Division 12

Sheila A and Thomas A, by their next friend, Dr. Karl Menninger; et. al.,

Plaintiffs,

VS.

Case No. 89-CV-33

Joan Finney, Governor; et. al.,

Defendants.

If you are a child in the custody of SRS as a result of a CINC petition, or a child who is the subject of a report of suspected child abuse and/or neglect and all parties having an interest in said proceeding and the Kansas child welfare system in Kansas, this notice is for you.

This case was filed in Shawnee County District Court in 1989 alleging that SRS failed to provide services to children in the Kansas Child in Need of Care (CINC) Program, and to children who are the subject of allegations of abuse and/or neglect, and their families. In 1990, the Court allowed the case to go forward as a "class action" and defined the class as all children in Kansas who were in SRS CINC custody or who were at risk of being in custody.

An agreement has been reached by the parties in the case. Accordingly a hearing is scheduled for June 18, 1993, at 2:00 p.m., Third Judicial District, Shawnee County Courthouse, 200 SE 7th St., Topeka, Kansas 66603 in the courtroom of District Judge James P. Buchele, to determine whether said agreement should be approved by the Court.

This hearing will not address the placement of any particular individual child in foster care, any particular report of abuse or neglect, or the provision of services in any particular case. This hearing will not directly affect or address any pending CINC proceeding.

Very briefly, the Proposed Agreement does the following:

- Provides for a system of protective services, including screening, investigation, and completion of complaints of suspected child abuse or neglect.
- 2. Provides for a system of services to prevent outof-home placement.
- 3. Provides for a system for the development and review of case plans for children in custody.
- 4. Provides for the assessment of placement needs, tracking of placement resources, and placement of children in needed placements.
- 5. Provides for the assessment of the needs for services for children in SRS custody and services to meet the assessed needs, maintenance of the current services level, and visitation services in accordance with specified frequencies.
- 6. Provides for a specific time frame for adoption planning for children in SRS custody and efforts to assure a sufficient number of adoptive homes.
- 7. Provides that SRS develop new guidelines for the number of children or families that can be assigned to individual SRS workers and then provides that SRS maintain sufficient staff to comply with those guidelines and to implement the entire agreement.
- 8. Provides for the development of competencybased training system for SRS social worker staff, foster parents and prospective adoptive parents.
- 9. Provides for the development, implementation and maintenance of an integrated, automated information system that is timely and accurate.
- 10. Provides for an independent monitor to measure and report compliance with the agreement.
- 11. Provides for termination of the agreement on December 31, 1997, if compliance at the 90% level is attained and maintained.
- 12. Provides for enforcement and dispute resolution through mediation prior to requesting court involvement. The agreement will not be a court order but instead will be a legally binding agreement between the parties.
- 13. Provides recognition of the limitation on governmental resources by providing certain defenses and

limitations governing the need for additional funding or funding reductions.

14. Provides that both the plaintiffs and SRS reserve the right to seek pre-settlement attorney's fees, expenses, and costs, and waive the right to seek reimbursement for post-settlement expenses and most post-settlement fees.

Copies of the Proposed Agreement are available at any SRS Office for class members and their Guardian Ad Litem and parents without charge. Other interested parties may obtain a copy at any SRS Office for ten cents per page or at the Shawnee County Courthouse Clerk's Office at fifty cents per page.

If you want to object to any aspect of the Proposed Agreement, you must mail or deliver the objections in writing so that they are received by June 17, 1993, at
